Hi Kristen,

We had our funding call with our HQ office last week and we asked for funding to do some private well sampling around Haskell Lake. I don't know yet whether it will be approved. We should be hearing back within a couple of weeks.

In the meantime, it would be very helpful for us to receive your letter requesting assistance with the LUST site investigation. I will need the letter to reference in a memo I will write to HQ for approval to use LUST Trust Funds to do the work. I plan to write the memo as soon as I get confirmation on our funding (assuming we get approval).

Please let me know if you need any information which will help with your letter.

Thanks,

Bob
